

Date: Dec 2008    Awaaz

Young people from the Pakistani Youth Forum (PYF) in the Crosland Moor ward of Huddersfield were kept busy in the October break thanks to funding from the YPS Holiday Activity Programme.

The aim of the programme was to raise young people's awareness of local facilities and services which can be accessed in the area and throughout Kirklees. Young person Asad Khaliq, 18 commented "the holidays can be quite boring

because we are used to keeping so busy during term time. It's a bit of a shock when everything suddenly slows down". Chanda Azam, 18, Chairperson of the girls Pakistani Youth Forum added "The holiday activities gave us the chance

to get out and about and keep boredom away. The activities were loads of fun, especially the adventurous ones like Paintballing and Canoeing which I would not normally try. I am definitely going to come back with some of my mates".
